Mr. William J. Casey
Director,
Central Intelligence Agency,
Washington, D.C. 20505

CONFIDENTIAL

Dear Mr. Casey,

This Company has been involved in overseas construction since 1976 primarily in East Africa, Tanzania and Kenya.

In Tanzania, we successfully completed the construction of two dams, one at Tanga, and the other at Morogoro, Tanzania. We are presently involved in the construction of a railway in Tanzania. In Kenya, we were involved in the construction of a water transmission line.

M.B.L. has undertaken works in the Caribbean, especially in Trinidad and Tobago where it reconstructed the main airport runways, and Belize with a water transmission line.

This Company has gained a reputation of undertaking difficult projects abandoned by other contractors and successfully completing same on schedule.

We would be pleased to consider any heavy civil works that your Agency may be contemplating in any part of the world and to act as your "Confidential" Agent on these projects for a reasonable fee.

We enclose Brochure on this Company and look forward to hearing from you with reference to this proposal.

Sincerely yours
M.B.L. INTERNATIONAL
CONTRACTORS INC.
